Attracting talent and knowledge to
the Oil & Gas Industry:
The need for an Oil & Gas
Training Institution.

Oil and Gas Conference

Why is entering the Oil & Gas Industry so challenging?

A black and white photograph of a person holding up their palm, with the word "BUT" overlaid in red text. The person's face is blurred in the background, and the hand is the central focus. The word "BUT" is written in a bold, red, sans-serif font, positioned in the center of the palm.
